LAKESHORE CORRIDOR GET MOVING!

CHALLENGE: 10,000 new residents (plus 1000's of employees and visitors) are planned to come to Port Credit over the next decade. How will we all **MOVE** and keep our 'village' vibrant, our neighbourhoods protected, and our mainstreet retail thriving? Car congestion is causing serious impacts now. There is doubt in the community that P.C. can absorb all the growth. Mobility decisions and changes need to be made! It's time to GET MOVING!
