MEMORANDUM OF ORAL DECISION DELIVERED BY L.M. BRUCE ON NOVEMBER 23, 2018 AND ORDER OF THE TRIBUNAL

[1] This was the first prehearing conference (“PHC”) for an appeal of Mississauga City Council’s failure to make decisions within the legislative timeframe for an Official Plan Amendment (“OPA”), Zoning By-law Amendment (“ZBA”) and Draft Plan of

Subdivision. The Applicant is Port Credit West Village Partners Inc. (“WVP”) which is a partnership consisting of Diamond Corp, DREAM Unlimited, Kilmer Van Nostrand Co. Limited and FRAM + Slokker.

[2] The purpose of the applications is to permit a mixed use and multi-phase project that will create a waterfront community with 3000 new residential units (townhouse, mid-rise and high-rise), retail, amenity spaces, parkland and campus uses.

[3] The subject site, located at 181 Lakeshore Road West and 70 Mississauga Road South, is the now vacant site of the former Imperial Oil refinery.

[4] The Region of Peel was added as a party on consent.

[5] This PHC was well attended by local residents, many seeking participant status. Attachment 1 lists the participants that were granted status on consent. The Tribunal suggested to the participants that they may wish to group themselves with other residents who had common concerns and identify representative speakers who would make statements at the hearing.

[6] The Tribunal was advised that the City and the Applicant are continuing to work together to address outstanding issues. An update will be provided to City Council in January or February 2019. After this time the parties will be able to develop an issues list and prepare a procedural order. The Tribunal was asked to set two further PHCs. The second PHC will be held by telephone conference call (“TCC”) in February 2019 to identify dates for a hearing. A third, PHC was requested for August 2019 to provide the Tribunal with an update on the status of the appeals based on ongoing discussions between the Applicant and the City. The Tribunal was advised the ongoing discussions could potentially result in the August PHC being converted to a settlement hearing.

[7] The Tribunal concurred with the request for two additional PHCs and has scheduled the second PHC for **Wednesday, February 27, 2019 at 9 a.m.** by TCC.

Individual(s) are directed to call **416-212-8012** or Toll Free **1-866-633-0848** on the assigned date at the correct time. When prompted, enter the code **4779874#** to be connected to the call.
